Clear Water Solutions

ClarityMax+®

The Ultimate Pond Cleaner

- Removes Pond Owner's Worst Pond Problem
- Removes Slimy Debris From Ponds, Waterfalls & Streams
- Safe For Use Around Aquatic & Domestic Animals

ClarityMax +[®] multi-purpose cleaning action cleans ponds with barley, bacteria, enzymes and a powerful secret ingredient. These substances clean, polish and break down organic materials that create problems for pond hobbyists on and around waterfalls, streams, plant pots and filtration systems.

ClarityMax +[®] contains Activated Barley. It is the only product that utilizes this patented process to combine bacteria cultures on barley. In tandem these ingredients help to remove and control pond hobbyist's worst pond problem for the long term.

9 oz. (4,500 gallon treatment) \$18.95

2.5 lbs (20,000 gallon treatment) \$49.95

6 lbs (48,000 gallon treatment) \$124.00

D-Solv9

Double the strength of Algae-Fix at 9% active solution, this one 16 oz bottle treats 9,600 gallons. D-Solv9 will remove green water within a matter of days and is very economical to use.

16 oz. \$19.95

Pond Cleaner Dry

Sludge Remover & Clarifier (Compare to Pondzyme Plus)

- Removes Sludge & Odor Fast
- Breaks Down Dead Algae, Leaves & Debris
- Safe For All Aquatic & Domestic Animals

Pond Cleaner Dry naturally removes sludge, odor, debris and decaying leaves with billions of bacteria colonies and 6 added enzymes. The result is a cleaner pond, healthier fish, improved dissolved oxygen levels and reduced ammonia levels.

Pond Cleaner Dry contains Activated Barley and is the only product that utilizes a patented process to combine bacteria cultures on barley. In tandem these ingredients help to remove and control sludge, odor, grime & debris.

8 oz (treats 8,000 gallons) \$17.95

2 lbs (treats 32,000 gallons) \$53.95

6 lbs (treats 96,000 gallons) \$145.00

Algae-Off

Dissolve Your Troubles Away! • Helps Your Pond Sparkle with Clean all Year • Eliminates Pond Cleaning • Uses Oxygen POWER • Non-Toxic To Fish • MONEY BACK GUARANTEE • Deep Cleans Rocks, Waterfalls, Plant Pots, Streams & Any Area Where Organic Debris Accumulates

What Does Algae-Off Do

Algae-Off will help remove attached organic debris from waterfalls, streams and rocks in seconds. Use the maintenance dosage of Algae-Off once a week and eliminate complete pond shut down for yearly clean-outs forever. Algae-Off will also keep fountain intakes clean and remove unsightly scum from the perimeter of any size pond. Algae-Off is your personal pond cleaner in a bottle.

Application Rates

- Heavy Organic Material: 3-16 Tablespoons For Every 1,000 Gallons Of Pond Water
- Maintenance Dosage: 1-5 Teaspoons Per 1,000 Gallons Of Pond Water
- Spot Treatment: 1-5 Teaspoons Per Affected Area
- Use Weekly

8 oz. treats 5,000 gallons \$11.95

2 lbs treats 20,000 gallons \$21.95

10 lbs. treats 100,000 gallons \$71.95

Pond Cleaner Liquid

Nitrifying Bacteria

- Removes Ammonia, Nitrite & Nitrate
- Clears Water, Removes Debris & Seeds Filters
- Safe For All Aquatic & Domestic Animals

Pond Cleaner Liquid contains billions of ammonia, nitrite and nitrate removing bacteria. The bacteria inside are designed by nature to utilize these substances as a food source and remove them from pond water. Pond Cleaner Liquid has been used for decades to seed filters, clear water and reduce harmful ammonia and nitrite levels in a pond environment. The result is safer, cleaner water for fish and plants.

32 oz (treats 8,000 gallons) \$39.95

64 oz (treats 16,000 gallons) \$71.95

Barley Bales

Now you can promote a healthier ecosystem for your pond with Barley Bales, a technique in use since the Middle Ages to naturally eliminate algae. Simple to use, 1 bale treat a 1,000 gallon pond up to 6 months. Bales are made from the same High-Grade Scottish Barley as Scotch. Fully biodegradable. Each 1/2 lb. bale comes with its own mesh bag and complete instructions.

One Bale (1/2 lb.) **\$13.95**

Barley Clear Planters

Floating Barley provides a lovely planter and studies show that barley straw reduces algae. Lasts up to six months. Will not harm plants or fish. Comes with instructions. Order a plant also to provide enjoyment all summer.

Small Planter (Treats 45 sq. ft.) **\$18.95**

Large Planter (Treats 90 sq. ft.) **\$31.95**

Nature's Choice™ — Barley Straw Pellets

- Fast Acting
- Steady Release
- Easy Application
- 3 Month Treatment

Nature's Choice™ utilizes barley degradation technology to help manage pond problems all year long. When placed in an area of steady water flow Nature's Choice™ will slowly degrade and emit a natural chemical that cleans and polishes pond water naturally.

2 lbs (treats 2,000 gallons) **\$20.95**

5 lbs (treats 5,000 gallons) **\$45.95**

Barley Extract Defense

All the benefits of barley straw without the mess! Barley extract utilizes all the good properties of barley straw in liquid form. Barley Extract goes to work on contact and you don't have to wait for the barley bales to decompose in your pond. Barley straw extract is a liquid concentrate specially formulated to naturally balance pond water and improve clarity.

- Especially helpful where bottom drains exist
- Not harmful to aquatic life, plants, humans or pets
- One bottle is equal to multiple barley straw bales with no messy residual
- Can be used all year around

8 oz treats up to 800 gallons for 3 months **\$12.95**

16 oz treats up to 1,500 gallons for 3 months **\$19.95**

32 oz treats up to 3,000 gallons for 3 months **\$34.95**

Muck Defense — Muck Reducer

Rapidly removes sludge and muck naturally.

Many pond problems start with the buildup of muck and sludge, this organic matter is packed with nutrients! Muck Defense accelerates the decomposition of this organic matter caused from rotting leaves, algae

and fish waste. A must for ponds constructed with rocks and gravel that are difficult to vacuum.

Simply toss Muck Defense tablets, allowing them to dissolve at the bottom of the pond.

Apply Muck Defense when water temperatures are above 50 degrees.

- Dissolves muck and sludge rapidly
- Breaks down dead algae, leaves and twigs
- Helps remove excess nutrients
- Reduces sediment- clearing pond water
- 100% natural and safe for plants, fish, pets and wildlife

12 ct Treats 2,000 gallon pond for up to 6 months **\$24.95**

96 ct Treats 16,000 gallon pond for up to 6 months **\$120.00**

Seasonal Defense — Autumn, Winter & Spring Prep

Seasonal Defense has been formulated for the cooler months of the season. Seasonal Defense accelerates the decomposition of leaves, scum, and sediment that build up during the fall and winter months. In the spring, it replenishes winter bacteria loss, jump starts the filter and breaks down unwanted waste, making your pond water ready for a clean spring and summer.

- Formulated for cooler months
- Natural bacteria reduces dead leaves & muck
- Activated barley keeps your pond clear
- 100% Natural and safe for plants, fish, pets and wildlife
- Treats up to a 5,000 gallon pond

How to Apply:

Do Not open packets. Packets will dissolve when added to the pond water

When to Apply:

Seasonal Defense should be used in later autumn and early spring. Autumn

applications should begin when water temperatures fall below 55 degrees. Spring applications should begin at pond startup or just after ice melt.

12 ct Packets **\$24.95**

Pond Clear

Pond Flocculent (Compare to AccuClear)

- Clears Pond Water Fast
- Makes Pond Water Sparkle
- Safe For All Aquatic & Domestic Animals

Pond Clear is designed to clear cloudy, muddled pond water quickly, usually within 1-3 hours depending on the size of the pond. Pond Clear will quickly restore pond water to a brilliant shine. Pond Clear unique properties allow suspended particles in water to attract together and fall to the bottom of the pond where they can be vacuumed out or removed by filtration. The result is an extremely fast clearing of the pond.

16 oz (treats 8,000 gallons) **\$12.95**

32 oz (treats 16,000 gallons) **\$20.95**

64 oz (treats 32,000 gallons) **\$39.95**

Pond Treatments

Vanish™—Dechlorinator Liquid.

- Immediately Removes Chlorine, Chloramine & Heavy Metals
- Adds Fish Slime Coat Protectant
- Safe For Use Around Aquatic & Domestic Animals

Vanish™ will immediately remove chlorine, chloramine and heavy metals that are often present in city water supplies. Vanish™ will also add a slime coat protectant to the water to help fish heal wounds and abrasions and protect them in times of stress (during water changes & clean-outs).

8.3 oz (Treats 1,600 gallons) \$7.95
 16 oz (Treats 3,200 gallons) \$13.95
 32 oz (Treats 6,400 gallons) \$23.95

Vanish™—Dechlorinator Dry

- Immediately Removes Chlorine
- Value Formula
- Safe For All Aquatic & Domestic Animals

Vanish™ will immediately remove chlorine that is present in city water supplies. Chlorine is toxic to fish, left untreated chlorine can cause gill damage and leave fish unable to breathe. Use Vanish™ when performing water changes or setting up a new pond.

REMOVES CHLORINE ONLY

8 oz. (Treats 48,000 gallons)
 \$10.95

Foam-B-Gone™ Foam Remover

- Removes Foam In Seconds
- For Use In Ponds, Fountains & Statuary
- Safe For All Aquatic & Domestic Animals

Foam-B-Gone™ will remove foam from water within seconds of application. Foam is usually caused by excessive organics present in pond water. Protein foam can be harmful and should be removed quickly.

8 oz treats 8,000 gallons \$7.95

pHusion®—pH Reducer

- Quickly & Safely Lowers pH
- Increases Fish Electrolytic Uptake
- Safe For All Aquatic & Domestic Animals

pHusion® fuses pH lowering qualities with natural electrolytic supplements to safely lower pH levels in pond water at no more than 0.2 points per application. pHusion® also adds much needed electrolytes to help fish maintain a strong slime coat and healthy appearance.

2 lbs (treats 32,000 gallons 0.2 pH change) \$19.95

SapHGuard

In order to maintain pH at a constant requires buffering of the system. CrystalClear® SapHGuard will help to prevent wide pH swings, which are very common in ornamental ponds from dawn to dusk due to respiration and photosynthesis. A properly buffered system resists change in pH due to acid rain and other external factors. CrystalClear® SapHGuard will increase pH stability and will increase buffering capacity. 8,000 gallon treatment.

2 lb. \$14.95

Floating Pond Netting

Ideal for keeping leaves out of the pond year 'round. Black, 3/8" mesh. Cover your pond in the fall with this floating netting to reduce leaves accumulating in the pond. Use at other times of the year to keep fish in, cats or other animals out, or to reduce debris blowing into the pond.

7' x 10' \$7.95
 14' x 14' \$12.95
 28' x 28' \$40.95
 28' x 45' \$64.95

Garden Staples

Secures netting to the ground for leaf protection. Easy to insert. Approx. 4" length.

20 staples per package. \$4.95

Holographic Scare Tape

Reflective scarecrow tape with "moving" holograms helps protect gardens as it flashes dramatically in the sunlight. Helps protect from thieving birds.

100ft roll \$6.95

Dip Nets

A Must Have for all pond owners!!! Ideal for getting out leaves or removing fish from the pond.

Loki Nets

Made in the USA with monorail construction. This means the net is encased inside the bow, virtually eliminating wear on the netting. All are constructed of Aluminum with nylon netting.

Model WG-BD-4 18" handle, 9" x 6" x 4" deep net with 1/8" mesh.

\$21.95

Replacement mesh WG-BDR-4

\$6.95

Model BD-3 Four foot handle, new deeper net: 12" x 13" x 6" deep net with 1/8" mesh.

\$29.95*

Replacement mesh BDR-3 \$8.95

Loki Tangle-less Utility Nets

Our same great nets with a new twist!!! Black, super strong coating gives the bag stiffness and more body to help prevent tangling. Wide, flat bottom helps the fish lie flat for easier handling. Monorail Bows encase the net for longer life. Aluminum handle.

TLBD-1-4: 16"x16" bow, 4 ft handle, 1/4" mesh, 4" deep \$39.95*

TLPK22-4: 22" diam. round net, 4 ft handle, 1/4" mesh, 3" deep \$55.95*

Larger sizes available for pick-up.

*\$25 additional shipping charges apply.

The Best Gardening Gloves Available

Our Staff Loves Them !!!!

Wonder Gloves

Comfortable • Durable • Washable • Waterproof

Great for water gardening and pond maintenance. They provide waterproof protection with a seamless cotton lining without sacrificing dexterity. You can even pick up tiny seeds.

S (petite), M, L, XL (great size for men) \$9.50

Atlas Water Gardener

Double dipped nitrile coating resists chemicals, punctures, and abrasions. Heat sealed 24" long sleeve, rough textured for great grip wet. Comfortable cotton liner.

Specify M, L, XL. \$23.95

Atlas Nitrile Touch Gloves

The most versatile, comfortable glove we've ever tried. Lightweight and seamless. Puncture resistant Nitrile palm. Multi colored pastels. Specify color and size.

Specify S, M, L, XL (Black only). \$7.95

Seasonal Care

Patio Pond De-icer

Safe for use in plastic, rubber or concrete ponds. Use of these de-icers means patio ponds can remain outdoors and intact year-round. Cast aluminum construction with a 6 ft. cord. Thermostatically controlled, turning on at 32 degrees. 1 year manufacturers warranty.

500 watt for up to 50 gal patio ponds **\$58.95**

During snowy months the patio pond de-icer below keeps your patio pond from becoming a large block of ice.

Floating De-icer

Safe for use in plastic, rubber or concrete ponds. Keeps an area of the pond surface free of ice in cold weather. Elements encased in aluminum for durability, and efficiency. Thermostatically controlled. 10 ft cord. 3 year manufacturers warranty. Performs as well as traditional 1500 watt floaters.

1250 watt for all in ground ponds **\$58.95**

Heated Pond Saucer

- Energy efficient — ONLY 200 Watts
- Low profile (1- 3/4" tall) minimizes wind resistance — unnoticed in pond
- Thermostatically controlled
- Maintains a vent hole in ice to release harmful gasses
- Fully grounded 10ft power cord
- 1 year warranty

\$ 58.95

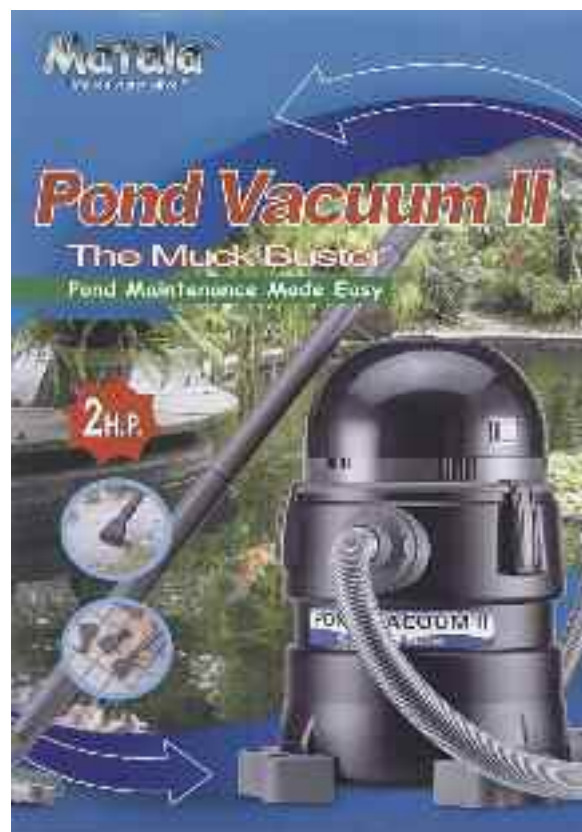

Pond Thermometers

Floating Thermometer. Easy-to-read Fahrenheit-Celsius scales. Measures from 120° to -20°F **\$13.95**

Non-Floating Thermometer. Same as above and features tether string for easy removal. **\$13.95**

Pond Vacuum II The Muck Buster

Great Suction power and lower cost is an excellent mid-range vacuum. Auto fill and drain cycle. 4 vacuum heads. 8 ft discharge hose. 16 ft suction hose. 5 extension tubes for the handle. 1 sludge collection bag included.

\$399.00

Barrel Liners

Just drop in an oak whiskey barrel and you're ready to add water. Fits all used whiskey barrels and manufactured ones with widths of 23" or more.

23" x 15" deep, Black WB2315 \$32.95

23" x 10" deep, Black. WB2310 \$24.95

Barrel Liner with spillway

Can be used as a waterfall header pond or a biological filter by installing a bulkhead fitting (page 45) through the side and filling with filter media. (See page 46).

23" x 15" deep with 5 3/4"

wide spillway lip

WBLS \$35.95

Barrel liner with plantings

Bamboo Water Spout & Pump Kit

Create Your Own Container Water Garden

These adjustable spouts are available in four sizes to fit nearly any diameter container. Simply place the spout on the side of a bowl, planter or pot, adjust the support arms to the desired height and your fountain is ready to use! Each spout is expertly crafted using a crack-resistant bamboo, coated with an anti-mold finish. You can decorate your fountain with stones, plants or anything else that you can imagine. Adjustable flow pump included.

Spout size

Diameter Bowl Recommended

7" 6"-15" 7" Adjustable Spout and Pump Kit \$29.95

12" 10"-20" 12" Adjustable Spout and Pump Kit \$39.95

18" 15"-30" 18" Adjustable Spout and Pump Kit \$47.95

24" 28"+ 24" Adjustable Spout and Pump Kit \$59.95

Bowls and Pots Available for Pickup at our Store

Five-Arm Water Spout

This design is beautiful and practical. The grid formed by the bamboo can be used to support a plant or ceramic figure. The design combines the symmetry of even lines with the irregularity of the bamboo nodes providing a unique contrast. Normally used in shallow containers.

12" Five Arm Spout & Pump Kit \$39.95

18" Five Arm Spout & Pump Kit \$47.95

Deer Scarer

This rocking fountain, known as a "deer scarer" or "shishi odoshi" combines sound and motion to create a compelling water feature. The bamboo arm rocks forward when it fills with water, then rocks back to make a gentle "clacking" sound. Originally used scare deer and wild boar, the fountain now serves as a beautiful central garden feature.

Easy to install because it's designed as a single unit mounted to a base. Simply place the fountain next to a pond or shallow container, put the pump in the water and enjoy.

12" Deer Scarer (12" tall) \$69.95

20" Deer Scarer (20" tall) \$89.95

Kettles

Excellent for Patio, Deck or Indoor Uses.

Black, Cast Iron Look. Rim rolls inward for easy placement of our statuary into pond rim. 36" diameter x 18" deep. With 3 feet and 3 shelves

KET36F \$190.00

36" diameter x 16" deep. Flat bottom, without feet or shelves.

KET36 \$190.00

24" diameter x 12" deep. With feet, no shelves.

KET24F \$85.00

24" diameter x 11" deep. Flat bottom, no shelves.

KET24 \$85.00

Kettles are also available in JADE STONE Color (shown at left)

Kettle with plantings

KETTLES, PATIO PONDS, AND BARREL LINERS INCUR ACTUAL FREIGHT CHARGES DUE TO LARGE SIZE.

Nostalgic Hand Pumps

Beautiful Pitcher Pump adds a nostalgic look to ponds, decks, and patios. Authentic, fully functioning pump made of high quality close grain cast iron, with an enamel finish, threaded for 1 1/4" pipe. Attach to 140 gal per hour pump or larger.

Pitcher pump Height 16" Red or black. \$59.95

Mini pitcher pump Height 13" Black only. \$59.95

Blue Cistern Pump Height 16" \$59.95
